

*"...Every person worthy of being called human carries their cross and ascends their own Golgotha. Many—indeed most—reach only the first or second step; they grow weary, collapse midway, and never reach the summit of their duty—to be crucified, to be resurrected, and to save their soul. They lose heart, they fear crucifixion, and fail to understand that crucifixion is the only path to resurrection. There is no other."*

— Nikos Kazantzakis
